

Installation Instruction

Step 1

Wall Bracket Installation

Secure the included wall bracket to the wall, positioning it approximately 1280mm above the ground (refer to Fig. 4).

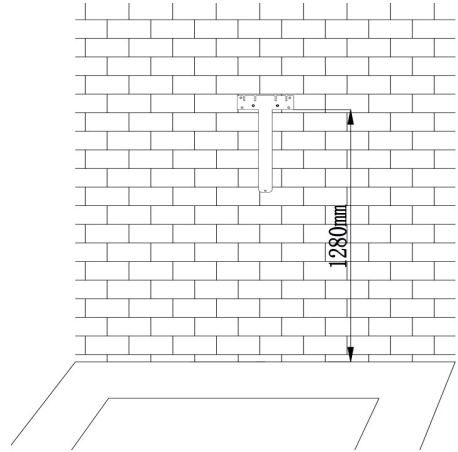

Fig. 4

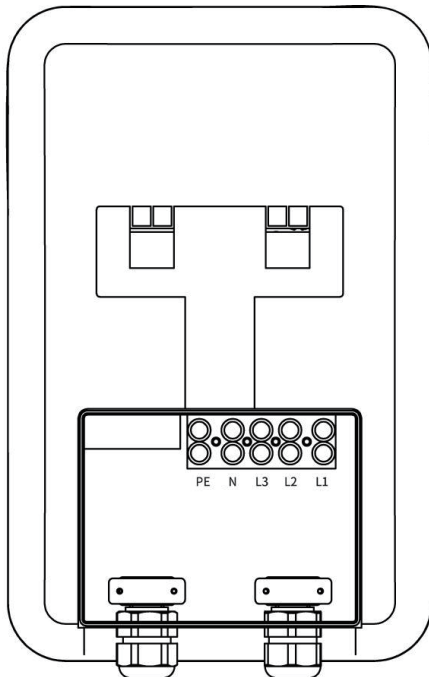

Fig. 5

Step 2

Wiring

- 1) Plug-in: Connect the cable to the socket to power the device.
- 2) Hard Wiring: Engage a professional electrician for hard wiring.

Installation Instruction

Step 3

Wall-Mounted Device Installation

Attach the device to the wall by aligning its rear mounting hole with the wall fixing screw from the front, and secure it in place (see Fig. 6).

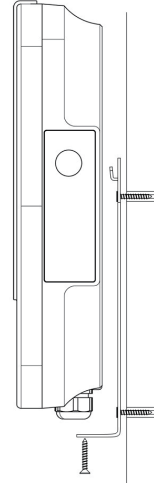

Fig.6

Fig. 7

Step 4

Wiring

Install the charging holster beneath the device, ensuring it is about 800mm above the ground.

Charging Operation

After installation,
the effect is as follows:
