BLUETOOTH CONNECTIVITY

WIRELESS & WIRED

A smarter, safer way to use your iPhone while operating a vehicle. Apple CarPlay takes the things you want to do with your iPhone while driving and puts them right on the display of the Aerpro Multimedia Receiver. Simply talk to Siri or touch the Aerpro receiver's display to get directions, make calls and enjoy your favourite music. With the convenience of wireless or cable connection, just connect your iPhone and go.

WIRELESS & WIRED

A safe and convenient way to operate your Android smartphone in the car. Android Auto brings your favourite Android smartphone apps into one place, making it easier for you to access navigation, media and communication apps on the road while minimising distractions. Simply talk to Google Assistant or touch the Aerpro receiver's display to get directions, make calls and enjoy your favourite music. With the convenience of wireless or cable connection, just connect your Android smartphone and go.
