2	EVA gasket 102mm OD x 93mm ID x 1.5mm	I
2	Foam gasket 115mm OD x 102mm ID x 4mm	II, III
2	Foam gasket 96mm OD x 90mm ID x 1mm	I, II, III
8	Foam gasket 4mm OD x 1mm ID	I, II, III
2	Rubber gasket 99mm OD x 118mm ID x 1.5mm	II
8	Screws M3 x 10mm all installations	I, II, III

Below is an assembly illustration for typical applications (i.e. Type I, II and III) however any combination of gaskets may be useful for a particular installation. Also note that the center piece of the 13 mm gasket can be applied to a panel behind the speaker to minimize panel resonances, this is especially useful in door applications.
