

QuickFit Coaxial Series

QFC5CS, QFC6CS, QFC8CS

The all new QuickFit coaxial series of ceiling speakers features 3 new models, each model comprises a 2 way coaxial driver producing high SPL and intelligibility. The frameless grills provide a modern sleek look sure to please end users, consultants and architects alike. If you require a black ceiling speaker it's as easy as changing the grill. A black grill for each model can be purchased separately as an accessory.

The QFC5CS, QFC6CS and QFC8CS series of QuickFit ceiling speakers are the perfect choice for situations demanding high intelligibility and SPL. Recommended for function rooms, school halls, retail spaces, boardrooms, place of worship, RSL's, clubs, pubs, Restaurants and many other commercial applications. Each model also features a supervisory capacitor as standard to allow for evacuation system integration.
