

HDP-ILN Induction Loop Neckband

www.boschsecurity.com

BOSCH

Invented for life

- ▶ Lightweight
- ▶ Used with 'T-coil' hearing aids
- ▶ Gold-plated jack plug

Functions

This induction loop neckband can be used with:

- Integrus receivers
- CCS900 unit
- DCN unit

The neckband magnetically couples the sound signal from the headphone output to a 'T-coil' hearing aid.

Interconnections

- 0.9 m (3ft) cable terminated with a 3.5 mm (0.14 in) gold-plated jack plug.
