

## CLIP OVER WALL PLATE

ATTACH TO EXISTING  
POWER OUTLET  
**2 USB OUTLETS**

### D.I.Y

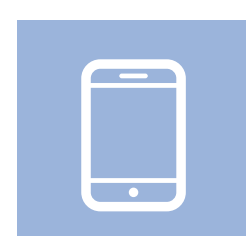

Without the need for costly installation costs. Adding 2 USB charging points and a sensor night light

### INSTALLATION

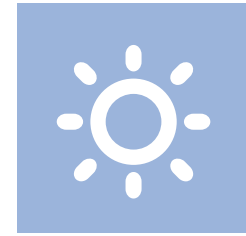

A clip over wall plate adaptor that can be easily fixed to an existing power outlet, single or dual

### MOBILE DEVICE

The 2 x USB outlets can charge and power your USB devices up to 3.4A in total. You can turn any wall outlet into a mobile device charging station

### NIGHT LIGHT

Embedded with surge protection and switchable light sensor night light. It suits a wide variety of wall plates, turning ANY power point into a sensor night light while not using up a power socket

## LIGHT SENSOR NIGHT LIGHT

## FEATURES

- Surge protection
- Charge and power your USB devices up to 3.4A in total
- Fully Compliant to AU standards
- Switchable light sensor night light
- Turn any wall outlet into a mobile device charging station
- Clip Over Wall Plate with 2 X USB Ports
- Easily fixed to an existing power outlet without opening and rewiring
