- USB input, up to 32GB, for music playback supports MP3/WMA/APE/WAV/FLAC
- USB Supports sampling rate (PCM): 44.1kHz,48kHz,88.2kH2,96kH2,176.4kH2,192kz,384kz
- Outputs: RCA unbalanced, XLR balanced, Optical, Coaxial
- Connect to your External DAC using the USB, OPTICAL or Coaxial
- Designed to fit HiFi Rack - WxDxH 240x300x80mm
- Display Mode Switch between Track, Timer, Source, Sample Rate or Volume.
- CD Functions: Play, Stop, Skip, Shuffle single or All, Repeat, Program.

Full Specications

- - CD format Standard CD, CD/MP3 (CD- R/ CD- RW)
Bluetooth version 5.0 supports ADP/AVRCP
- Analog balanced output: XRL 3. 5V (1KHz, 10K Load, maximum output level)
- Simulate single-ended output: RCA 1. 5V (1KHz, 10K Load, maxi mum output level)
- Distortion degree: 0.05% (1KHz,LPF:20Hz-20KHz)
- Frequency response range: 20Hz-20KHz ±3dB
- Signal-to-noise ratio >90dB (1KHzA)
- Digital audio output: Coaxial: 0.5VP- P
- Digital audio output: Optical Fibre TOS (JEITA RC5720C)
- Headphone output: 3.5mm, 50mW+50mW, 32Ω
- USB interface: USB flash drive music playback supports up to 32G
- USB Supported format: WAV/ FLAC/ APE/ MP3/ WMA
- USB DAC PCM: 44. 1K- 768K/16bit-32bit
- USB DAC DSD: DSD64-DSD512 (Native)
- USB DAC DSD: DSD64-DSD256 (DoP)
- Audio processing chip: SABRE ESS9038Q2Mx1, OPA2612AIDx1
- Dimensions: WxDxH 240x300x70mm (80mm with feet)
