

BMR5X

BLUETOOTH MUSIC RECEIVER

BT5.0 & APTX® HD

MODEL: BMR5X

CODE: 39894387

WARRANTY: 12 months

Lose the wires without compromising audio quality!

Simply pair your Bluetooth enabled device – such as your smart phone, iPad, Android tablet – and connect the BMR5X to your AV receiver, multimedia speakers and more.

- High resolution audio (24-bit, 48kHz) ➤ Auto pairing
- Low audio coding delay. Minimizes latency and 'lip-sync' issues
- Non destructive transcoding – no duelling effects with other algorithms
- Backward compatibility ➤ aptX® HD, aptX® & SBC codecs
- Memorises 8 different devices ➤ Bluetooth V5.0 (A2DP / IOPT)
- Dual Outputs – Optical/Toslink & 3.5mm stereo ➤ Power – 5V 0.6A Micro USB

INCLUDES

- BMR5X receiver
- 3.5mm plug to plug stereo lead
- 3.5mm socket to 2x RCA stereo lead
- 5V 0.6A DC USB power supply
- User manual

SPECIFICATIONS
