

Deliver 1080p up to 300m.

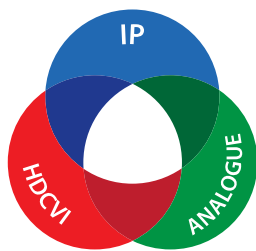

The Professional HDCVI 1080p Digital Video Recorder Series

Victory Series systems can also be implemented into an existing analogue system without having to re-run coaxial cable, making traditional analogue to megapixel HD-over-coax CCTV upgrades easier than ever before.

- Compatible with CVI, IP and Analogue cameras
- Records 1080p full HD resolution up to 12~25fps
- Up to 300m transmission distance (1080p)
- Up to 6TB of HDD capacity per SATA port
- Configure remote view in seconds via QR code
- HDMI & VGA simultaneous video output
- Backup via external USB device or local network
- Remote view for iOS, Android & Windows Phone
